Quick Start – LogPlot8, Single License

Installing LogPlot8 _____

You must have **Administrator** privileges to **install and license** LogPlot8. The program installs as a "Trial" version which can be unlocked to turn off the trial's day/use counter.
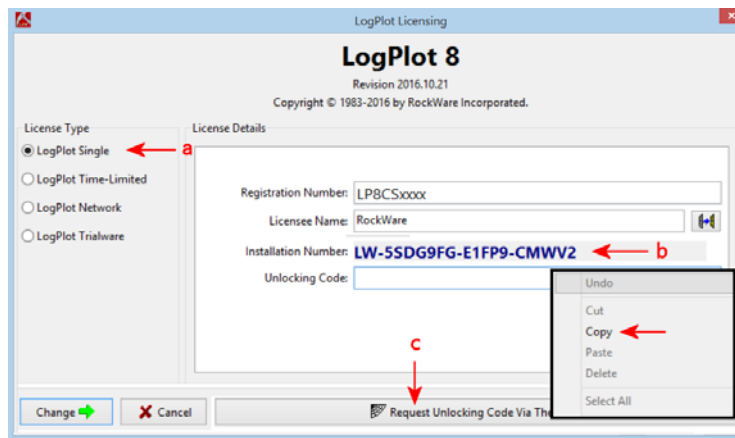

1. Visit www.rockware.com and click on the **Downloads | Demos** menu item, along the top of the page.

2. Scroll down to the **LogPlot8** item and click the **Download** link.

3. On the next screen, fill in your **name** and **email**, click the **captcha** box, and click **Send**.

4. Click the **Download** link for the 64- or 32-bit version. (64-bit recommended, requires 64-bit version of Windows)

5. **Save** the installation program to your computer.

6. When the download is complete, **double-click** on the installation file to start the installation. Follow the recommended installation settings.

Licensing LogPlot8 _____

1. When installation is complete, start the program. The main LogPlot window will be displayed.

2. To set up the licensing at this time, click the **Help** menu and select **Change Licensing**.

3. In the **LogPlot Licensing window**:

   a. **License Type**: On the left side of the window, choose **LogPlot Single**.

   b. **Installation Number**: **Right-click** on this long set of numbers and letters and choose **Copy**. We will use this to calculate your unique unlocking code.

   c. **Request Unlocking Code via the Web**: Click this button and you will be delivered to RockWare's web registration page.

   Customer Portal: Use this link at the top of the page to request a real-time unlocking code via the RockWare Customer Portal. First time visitors will need to create an account with your **email** and **Registration Number** (issued at time of purchase). Existing Portal users can log in with their username and password. Once logged in, locate the license being unlocked, click the **Unlock** button, and supply the requested information. Refer to the **HELP** video for information.

   Registration Form: Otherwise, use this form to request your unlocking code via email. Supply your **Registration Number** (issued at time of purchase), the **Installation Number** and your **contact information**. We'll reply within one business day via email with the unlocking code. (If there's a time lag until you receive the unlocking code, you can use the program fully-functionally in trial mode.)

4. **Unlock the program**: When you receive your unlocking code from RockWare online or via email, start LogPlot. Click **Help | Change Licensing**, and fill in the prompts – **Registration Number, Licensee Name** (your name or company name), and **Unlocking Code**.

5. Click the **Change** button. The licensing status will be displayed in the title bar at the top of the program window.
